REQUEST FOR CORRECTED FILING RECEIPT

Commissioner for Patents Washington, D.C. 20231

Sir:

In response to the Filing Receipt mailed July 18, 2002, a copy of the official Filing Receipt for the above-identified application is attached with the requested changes noted in red.

The original receipt is correct in that it states the captioned application is filed under 35 U.S.C. 371 based on PCT/US00/40588 filed August 7, 2000, but the filing receipt omits the relationship of the PCT application which claims the benefit of U.S. serial no. 09/370,266 filed August 9, 1999.

Accordingly, applicants respectfully request that a corrected filing receipt be issued with the complete continuing Data as Claimed by Applicants to recite: --WHICH CLAIMS BENEFIT OF 09/370,266 filed August 9, 1999--. Applicants also request that all records be corrected to indicate the above changes.

Applicants believe no fee is due for this Request. If it is determined that a fee is properly required, the Commissioner is hereby authorized to charge any fees which may be required to Deposit Account No. 10-0435. A duplicate copy of this Request to Correct Filing Receipt is submitted herewith.

Respectfully submitted,
